

1/11/24

Hi Greg,

have wrote up my notes on our
Circuit visit. Hope its ok.

Apologies as I will be away for
Nov 11th meeting.

Regards
Sally Cann.

Might be an idea. But Pat Garsner
passed away in October and was a
member of our Parish and regularly came
to Public Meetings. We could give our
apologies.

Thank you.

Circuit Meeting 16/10/24

At Escapade 3pm

Our meeting was mainly about grand prix the one that was this year & how the planning was started for next year.

This year 63,229 were brought in by shuttle bus over the 4 days - 27,000 alone on the Sunday.

The pricing strategy has changed.

By mid sept - 60% of the tickets had been sold. More people booking a bus rather than parking.

They are hoping to recycle the bus service for the Sunday.

The bus service has been brought down to £5 a day - making it more favourable.

Hoping to plan for extending till 10.30 on all

4 nights to delay the traffic.

The artists are still unknown.

Location for the stage to be the same as this year.

Opening times for GP
