

SRA Report for the month of September 2024

- General House Keeping continues
- Health and Safety points are on target.
- A new bar agreement has been proposed to the existing tenants. This is at an higher monthly fee and a percentage on turnover.
- Bookings are increasing as is general activity and footfall
- We held a Tour of the Aston Martin Aramco F1 Facility and sold 450 tickets in less than 24 hours. The day was highly successful and raised over £12000
- The kitchen refurbishment is nearly complete
- An insulated door between the hall and lounge area has started.
- We are preparing a business case for the SRA to be responsible for the provision and serving of food.
- We are looking at setting up a coffee shop.
- By the end of October we will have made our first trading profit in many years.
- Next month we will review what we promised, what we have achieved and what we still must deliver.
