

## **SRA Update to Silverstone Parish Council (September 2024) from Cllr Martyn Nash**

### **We are:**

- Realigning our prices
- Refurnishing the kitchen, preparing the way for the SRA to be responsible for the provision of food (£6k)
- Reviewing the website with the view to a refresh and to improving the online booking experience
- Negotiating a new agreement with the bar to ensure that the SRA gets a more equitable portion of bar sales.

### **We have:**

- £60k cash balance
- Raised £8k from AMF1 tour
- Registered our annual accounts, they were 72 days late to be uploaded, this was due to a commission not an SRA issue.
